### Chicago Calligraphy Collective—guest show was in March 2023

The Chicago Calligraphy Collective fosters education and exposure to calligraphy in all its various forms and related arts. In an ever-increasing digital world, we believe that providing awareness and appreciation of the “art of beautiful lettering” will allow this time-honored and diverse art form not only to endure, but also to thrive in the 21st century.

The Chicago Calligraphy Collective (CCC) is a 501c3 nonprofit organization incorporated under the laws of the State of Illinois. Founded in 1976 to represent the interests of the calligraphic community of the Chicago area, the CCC has fostered the development of hundreds of calligraphers, including many who have achieved national and international renown.
