March 2021 Newsletter

The Public Art Competition "Abstract Symphony" has 57 entries, and if you have time and you are able to, come and see it in person. The exhibit is up until March 19th, and it is really beautiful, diverse, and colorful. You can also place your vote for your favorite one. Each artwork has its own entry number, and you can see them [here](#) online. Please vote for your favorite piece for the Public Choice Award.

The announcement of winners will be held virtually through Facebook on March 7th, 2021, at 3:00 pm.

Viewer's Choice Award will be announced at the end of the show, March 19th.

We added some exciting new classes, please take a look at the adult and children classes [here](#).

We are having a great time collecting interviews and bios from some of our long standing members, in celebration of our 60th year. We will continue to add to these so check the home page of this website often.

Have a Marvelous, Magnificent, and Masked-up March.
